

## **Local Rule 7052-1 Findings and Conclusions (2014)**

Except as otherwise directed by the court, in all non-jury proceedings, the attorney for each party must prepare and lodge with the court, at least 2 days before trial, proposed findings of fact and conclusions of law consistent with the theory of the submitting party and the facts expected to be proved. Proposed findings must be concise and direct, recite ultimate rather than mere intermediary evidentiary facts, and be suitable in form and substance for adoption by the court. The court, in its discretion, may require each party within the same time frame to submit proposed findings of fact and conclusions of law electronically by delivery of a CD or similar electronic storage medium.
